

SARAH ROLFVONDENBAUMEN, EDAC, WELL AP, LEED AP BD+C

Behavioral Health Consultant | Architect

Sarah is a dedicated Behavioral Health Consultant and Architect with over 13 years of experience in the healthcare industry. With a passion for designing spaces that enhance the human experience, Sarah has worked with renowned firms such as Perkins&Will, WHR, and Rozas Ward Architects.

At human eXperience, Sarah's mission is to shape the built environment in a way that maximizes the well-being of all individuals. By combining thoughtful design principles with functional outcomes, Sarah strives to create spaces that have a positive impact on patients and staff alike.

As a Behavioral Health Consultant, Sarah collaborates closely with project teams to facilitate stakeholder engagement, develop therapeutic and code-compliant solutions, and optimize long-term flexibility and maintainability. Sarah firmly believes in prioritizing the safety of patients and staff while fostering an uplifting and dignified atmosphere in every decision made in Behavioral Health Design.

EXPERIENCE

[Cabarrus County Regional Mental Health Treatment Center | Concord, NC | Project Architect | 2026 | \\$32.5M](#)

This 60,000 SF Mental Health Treatment Center with services for Adults and Pediatrics. Programs include Behavioral Health Urgent Care (Separate units for Adults and Pediatrics), SUD unit (Adults), Inpatient unit (Adults), and Residential Treatment (Pediatric).

[Mecklenburg County Facility Based Crisis Center | Charlotte, NC | Behavioral Health Consultant | 2026 | \\$10M](#)

This 21,000 SF Mental Health Treatment Center provides services for adults in crisis. The center includes a Behavioral Health Urgent Care and an Acute Inpatient Unit.

[UTHealth Houston - John S. Dunn Behavioral Sciences Center | Houston, TX | Project Architect | 2022 | \\$98M](#)

In partnership with Perkins&Will, this 240,000 SF project includes a 264-bed Academic Medical Center Psychiatric Hospital with dedicated spaces for staff and student education and research, as well as an off-unit therapy mall and dining facilities.

[Permian Basin Behavioral Health Center | Midland, TX | Behavioral Health Consultant | 2026 | \\$TBD](#)

In partnership with HKS, this 200-bed psychiatric hospital for Adults, Pediatrics, Geriatrics and Forensic populations includes crisis observation units, PHP/ IOP programs and outpatient support for adult and pediatric populations.

"It has been an absolute pleasure to work close at hand with Human Experience. Their preeminent level of M/BH industry knowledge and experience is equally matched by their passion to produce high quality results."

David Vincent, AIA, ACHA, LEED AP, LSSYB
Studio Practice Leader, Health Partner, HKS

SARAH ROLFVONDENBAUMEN, EDAC, WELL AP, LEED AP BD+C

Behavioral Health Consultant | Architect (Con't)

UCLA Resnick Neuropsychiatric Replacement Hospital | Los Angeles, CA | Behavioral Health Consultant | 2025 | \$260M

In partnership with HOK, this 113-bed Academic Medical Center Psychiatric Hospital for Adults, Pediatrics, and Geriatric populations is a challenging renovation in an existing building with low ceiling heights and inefficient structural grid. A variety of innovative care solutions were used to create a highly therapeutic and safe environment.

San Antonio State Hospital Campus Reuse Masterplan | San Antonio, TX | Behavioral Health Consultant | 2022 | \$TBD

In partnership with HKS, the masterplan entailed the reuse of replaced campus buildings and available space to create a Mental Health Therapy village including inpatient and residential treatment beds, programs for every level of care and supportive housing.

Texas Children's - Emergency Department Renovation*, Houston, TX | Project Architect

The project involved renovating Emergency Departments on two campuses, to include 13 flex rooms, a nurse station, a triage room, and a dedicated SANE (Sexual Assault Nurse Examiner) room to enhance the accommodation of behavioral health patients.

*experience prior to joining hX

“Working with the human eXperience team has been joy. They bring a wide breadth of perspective and expertise paired with a team focused mindset to every project, that allows for seamless project delivery that enhances the outcomes of every project.”

Nathan Howell, AIA, NCARB, LSSYB
Sr. Project Manager, Vice President, HKS
