

AMAYA C. LABRADOR, AIA, NCARB, EDAC, PMP, LEED BD+C, CDT, LSSGB

Behavioral Health Consultant | Architect

Amaya is a bilingual, licensed project architect and medical planner with over thirteen years of comprehensive experience in healthcare architecture. Specializing in both intricate renovations and major hospital construction projects, she possesses a deep understanding of the entire project lifecycle. Amaya excels in weaving operational planning with design and construction, ensuring a seamless transition at each phase. Her commitment to project success is evident through her ability to harmonize clinical needs with technical, constructability, and cost considerations. By adopting lean and process improvement methodologies, Amaya spearheads collaborative design efforts, uniting stakeholders, consultants, and contractors to craft solutions that meet client needs while upholding social responsibility and advancing care standards.

“Amaya is a dedicated and driven leader who pushes her team to ensure best practices are met and never accepts the status quo. Amaya provides a steady voice at the table to engage and reason to find the best solutions for her clients. The most desired client representative you can find.”

Aown Syed, Hospital Vice President of Operations/Pavilion COO
Harris Health System

WHY AMAYA?

Amaya, a bilingual licensed project architect and medical planner, is driven by a profound passion for healthcare architecture. With thirteen years of experience, she is dedicated to integrating clinical operations and patient experience into cohesive designs, aiming to make a meaningful impact in the built environment.

AMAYA C. LABRADOR, AIA, NCARB, EDAC, PMP, LEED BD+C, CDT, LSSGB

Behavioral Health Consultant | Architect (cont'd)

Confidential Client, Prototype Cancer Outpatient Clinic* | Houston, TX | Project Architect | 2020

Developed a prototype and conducted test fits for five cancer outpatient clinics across the Houston market, focusing on scalability and patient experience.

SGK Plastic Surgery* | The Woodlands, TX | Medical Planner & Project Architect | 2019 | \$3M

Designed a 10,000 SF, one-story clinic and AAAASF-certified surgery center, integrating state-of-the-art facilities for enhanced patient care.

New Caney Medical Office Building* | New Caney, TX | Medical Planner & Project Architect | 2019 | \$3M

Crafted an 11,000 SF, two-story medical office building housing an urgent care clinic, timeshare clinic, family medicine clinic, and additional shell space for future expansion.

Brooks Eye Associates* | Plano, TX | Medical Planner & Project Architect | 2018 | \$5.6M

Led the architectural design of a 20,000 SF, one-story eye clinic and licensed Ambulatory Surgery Center (ASC), focusing on patient comfort and advanced care.

Woman's Hospital Center for Breast & GYN Cancer* | Baton Rouge, LA | Medical Planner | 2016 | \$5.6M

Contributed to the 17,000 SF expansion and 16,000 SF renovation of a Women's Cancer Center, fostering a joint venture to enhance specialized care.

Duke Health Primary Care, Prototype & Implementation* | Durham, NC | Medical Planner

Developed a primary care clinic prototype for a three-physician clinic and led its implementation across three existing sites, standardizing care delivery.
